

Dr. Booms beginning.

One day Boom was a kid. He wanted to be an inventor and invent a time machine. Then he got a doctorate and became Dr. Boom. He married a woman and made a 7 year old son Fluffy. Fluffy did not want to be an inventor. But, he liked going on adventures with his dad.

Dr. Boom invented a time machine and showed history that happened before men. And went back to the time of the dinosaurs! And only Dr.Boom knew how to drive it and it was a big box with 2 seats it was gray and had a door. And it had nothing else. The moter was gigantic . it had hundreds of wyers and it was very high tech vroom zoom.

Dr. Boom and Fluffy heard a big noys and almost were eaten by a T Rex after they landed! Fluffy said "J-j-j-jet packs". They invented jet packs and popped them on. And you know they went to the time machine and were safe! They took T Rex skin in their time machine to prove their adventure. The T Rex skin was green and bumpy.

Dr. Boom and Fluffy told the world all the things they found in the newspaper! It is un blevubul pepul said. Where do they go next? Find owt in the next book: Back back back in time.
