Our next book sale will be October 3, 9:00am-3:00pm

Note, we can only accept books in very good to excellent condition.

Books should not be written-in or highlighted.

We also cannot accept books with torn pages, loose bindings, mildew, mold or foxing (brownish spots that appear on paper).

Please no magazines, textbooks, CDs, DVDs, encyclopedias or library books.

Book donations should not be left at the library at times other than those specified above or when our volunteers are not present. Our work in the community would not be possible without members and volunteers!
