

A funny thing happened on the way to school, I was walking to school and then all of a sudden, a gigantic gorilla picked me up. My shoe fell off and hit an old lady 🧓. The old lady got mad because her wig fell off. Then, the old lady started punching the gigantic gorilla, but then the gorilla sneezed: "AAACHOO"!

The big sneeze 🤧 blew away everybody, including me. But luckily, I caught a hold of a dandelion. When the dandelion landed I realized that I had shrank. I looked around and I saw that I was in the park. In the park I saw dinosaurs 🦖. I was a long way from school and I didn't want to be late. So, I asked one of the dinosaurs which was a T-REX if he could give me a ride. The T-REX said "No", and he chased me all the way to the beach. The old lady was at the beach and she also punched the T-REX. In the end the T-REX landed in the ocean and the old lady won the battle again. The old lady called a helicopter 🚁 to come drop me off to school. But I only made it halfway through because at that very moment a pink flamingo crashed into the helicopter. We all came flying down and landed in the park.

Nobody got hurt, the flamingo 🦩 lost a few feathers, but it survived. The dinosaurs were still in the park. When I got out of the helicopter a huge herd of dinosaurs ran towards me. One of the dinosaurs was about to eat me, I was so scared 😱 I covered my head and closed my eyes. But then I opened my eyes and saw that I was still alive. I found myself in my bed and realized it was just a dream. I looked out the window and I didn't see any gigantic gorillas, old ladies wearing wigs, dinosaurs, pink flamingos, or helicopters. It was a normal day, except for being late to school.

THE END.
